

REMARKS

Claims 1-21 were previously cancelled. Claims 22-26 are pending in this application.

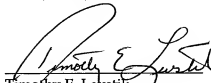

Claim 22 has been amended to correct a typographical error in formula (XII). "P" in the formula has been changed to "O" and support for the amendment is found in formula (XII) at page 21 of the application as originally filed. Applicants note that the publication (U.S. Pub. No. 2007/0060497) of the pending application incorrectly shows a "C" double bonded to a "P" instead of a "C" double bonded to an "O" as presented in the application as originally filed. This appears to be a PTO error when printing the published application.

In the previous response, support for the definition of "W" was cited to page 16, line 18 to page 17, line 14, of the application as originally filed. Support for inclusion of "a residue of formula (IIa)" in the definition of "W" is further found at page 11, lines 23-28 of the application as originally filed.

The Commissioner is hereby authorized to charge any additional fees which may be required in this application under 37 C.F.R. §§ 1.16-1.17 during its entire pendency, or credit any overpayment, to Deposit Account No. 06-1135.

Respectfully submitted,

FITCH, EVEN, TABIN & FLANNERY
